Subject:

A Very Urgent Open Letter To Judge PALOMARES, Eugene Townsend, Chief (ALJ) Manuel A. Romero and Director Will Lightbourne, about case number 181200343-(IHSS) and beyond.

^^

Dear Judge PALOMARES, Eugene Townsend, Chief (ALJ) Manuel A. Romero and Director Will Lightbourne:

^^

01. INTRODUCTION:

01.01. It is my strongest hope, desire, and goal to not sound or be rude, unkind, or to show any disrespect as I make my following remarks.

01.02. It is also my strongest hope, desire, and goal to communicate with you as

truthfully and clearly as I possibly can so that you would understand what I am trying to say to you and thereby no misunderstandings between us develops any more than it already has.

01.03. To that end if you believe there is a misunderstanding or something does not make sense to you, please do not hesitate to call me.

01.04. It is however my complete and total expectation that you would have read my entire letter, not just skimmed it, or done something like just looking at the first and last paragraph.

01.05. Since at the very least we have had a misunderstanding I do want you to know that if you do call me I will be recording the phone conversation, available to you upon your request something that I believe that I have done with you and the employees better under your supervision.

01.06. As I am sure you're well aware that I am not a lawyer and do not have the training to be able to speak to the issues that I am discussing in this Open Letter and would obviously not be presenting either the arguments or the ways I am presenting them to you here.

01.07. You may or may not be aware that I am having to use Speech Recognition Software to write this Open Letter. This software is not as accurate as I would like it to be and as a result if you find something that doesn't quite make sense please accept my apology that I have missed catching that error.

01.08. It is my hope that I communicated with enough passion to clearly communicate to you as well as to the county representatives that I thought that what has occurred to me would not occur to any one else. In Los Angeles County that represents about 3.5 million Los Angeles County residents. In the State of California with about the same percentages working that would represent about 35% of California's population. You, Judge PALOMARES told me in our second hearing that you and Administrative Law Judge (ALJ) Andrew Carroll were at the same level. It is certainly my overwhelming preference that you share my communication, passion, and frustration as to what was done to me at the hands of the employees of Los Angeles County Department of Public Social Services (LACO DPSS) as well as the leadership of your own government entity.

01.09. It is also my overwhelming preference that WE/US, meaning myself, county representatives, and your entire government agency from the two kind and patient women that I spoke to on the now three occasions that I have called Will Lightbourne's office (the director answering to the Governor, I believe) as well as Mr. Eugene, the Administrative Assist to Chief Administrative Law Judge Manuel A. Romero and down the chain of command from there. I do not want a repeat of what has happened to me primarily from the state hearing that occurred on February 15, 2018 that brought me to the point of believing wholeheartedly that your boss in Los Angeles County, Presiding Judge Dora Luna committed fraud by what occurred at that February 15, 2018 state hearing conducted by Administrative Law Judge (ALJ) Jennifer Phan and the subsequent events that occurred after that hearing. If you wish to

04.01. Did you Judge PALOMARES actually receive my Open Letter before 5:00 PM on Monday, July 16, 2018?

04.02. Judge PALOMARES you had set 5:00 PM on Monday, July 16, 2018 as a deadline. It took an incredible amount of pain, agony, and energy to actually send that July 16, 2018 Open Letter before 5:00 PM.

04.03. Judge PALOMARES, to think that there is a possibility that you would have not received that email before 5:00 PM is in my mind the kind of horrible behavior of the country that I legally imigrated from [100], Iraq would do.

^^

05. Prayer for relief:

05.01. I believe I need to ask that Eugene Townsend, Chief (ALJ) Manuel A. Romero and Director Will Lightbourne reach a decision of the following:  
That (CA DSS) be instructed to put whatever measures so that this kind of disgusting, despicable, and horrible activity never be repeated ever again.

05.02. I believe I need to ask Judge PALOMARES to let me know whether in fact received my Open Letter before 5:00 PM on Monday, July 16, 2018?

05.03. I believe I need to ask Judge PALOMARES that if he had reached the decision without having received my Open Letter before 5:00 PM on Monday, July 16, 2018 that he "pull back" that decision and incorporate the Open Letter of Monday, July 16, 2018 as well as this Open Letter of Wednesday, July 25, 2018.

^^

06. CONCLUSION:

There is more that I would like to say but I'm just out of time. Thank you for your help in this matter and for reading this entire Open Letter.
