Subject:

AN (OL) to each of the Five Member Los Angeles County Board of Supervisors (LACO BOS). Should you be very concerned about your multiyear budgets being greatly affected by ALL The CLASSES OF VICTIMS in Class Action Lawsuits filed against you?

Dear Supervisor Hilda L. Solis, First District; Supervisor Holly J. Mitchell, Second District; Supervisor Sheila Kuehl, Third District; Supervisor Janice Hahn, Fourth District; Supervisor Kathryn Barger, Fifth District, And Or To Whom It May Concern (AOTWIMC):

01. INTRODUCTION (The following text has not changed from previous Open Letter(s)):

01.01. It is my strongest hope, desire, and goal to not sound or be rude, unkind, or to show any disrespect as I make my following remarks.

01.02. It is also my strongest hope, desire, and goal to communicate with you as truthfully and clearly as I possibly can so that you would understand what I am trying to say to you and thereby no misunderstandings between us develops any more than it already has.

01.03. To that end if you believe there is a misunderstanding or something does not make sense to you, please do not hesitate to call me.

01.04. It is however my complete and total expectation that you would have read my entire letter, not just skimmed it, or done something like just looking at the first and last paragraph.

+++++

02. WHAT DO I MEAN BY: "Should you be very concerned about your multiyear budgets being greatly affected by ALL The CLASSES OF VICTIMS in Class Action Lawsuits filed against you?"

+++++

02.01. In the July 8, 2022 article in mynews1a.com entitled: "Villanueva Fires Back After Supervisors Eye Power to Remove Sheriff" it states the following:

"If passed, this illegal motion would allow corrupt supervisors to intimidate sheriffs from carrying out their official duties to investigate crime," the representative told The Times. "Creating a pathway for politicians to remove a duly elected sheriff is a recipe for corruption, particularly when `cause' is whatever suits their political agenda."

02.02. I do not believe that you will listen to me. Just like all of my past communication that is documented (footnotes) below. However, it would appear that you have not thought about ALL The CLASSES OF VICTIMS that you are creating that could and more than likely bring Class Action Lawsuits against you (LACO BOS) and technically Los Angeles County (A Person) for your multiple year budgets. Since you (LACO BOS) have bragged that your budget is about \$28,000,000,000 a year (\$28 Billion) those amounts of money could be rather extreme.

02.03. Since I am aware that Apple Computer had a Class Action Lawsuit filed against it for \$999,000,000,000 (\$999 Billion) who knows all of those Class Action Lawsuits because of your lacking in common sense, foolish, and absolutely destructive against the Citizens of Los Angeles County.

02.04. I could go on and on, and on, and on about ALL OF The CLASSES OF VICTIMS you should be smart enough to figure out THAT THE COURSE OF ACTION THAT YOU ARE CONTEMPLATING IN DOING again as I said IS lacking in common sense, foolish, and absolutely destructive against the Citizens of Los Angeles County.

With All Sincerity,
Robert Colaco [RC]
Volunteer National Chairman, Founder
CITIZENS FOR A BETTER AMERICA(R) (CFABA.ORG)
