Subject:

AN Open Letter (OL) TO Dawyn R. Harrison, Acting County Counsel (LACO COUNSEL). Will you tell the truth to (LACO BOS) about the possibility of Class Action Lawsuits filed against (LACO)?

-----

Dear Dawyn R. Harrison, Acting County Counsel, And Or To Whom It May Concern (AOTWIMC):

-----

01. INTRODUCTION (The following text has not changed from previous Open Letter(s)):

01.01. It is my strongest hope, desire, and goal to not sound or be rude, unkind, or to show any disrespect as I make my following remarks.

01.02. It is also my strongest hope, desire, and goal to communicate with you as truthfully and clearly as I possibly can so that you would understand what I am trying to say to you and thereby no misunderstandings between us develops any more than it

already has.

01.03. To that end if you believe there is a misunderstanding or something does not make sense to you, please do not hesitate to call me.

01.04. It is however my complete and total expectation that you would have read my entire letter, not just skimmed it, or done something like just looking at the first and last paragraph.

-----

+++++

02. WHAT DO I MEAN BY: "Will you tell the truth to (LACO BOS) about the possibility of Class Action Lawsuits filed against (LACO)?"

+++++

02.01. On July 11, 2022 I wrote an Open Letter (OL) to (LACO BOS) with the subject: "AN (OL) to each of the Five Member Los Angeles County Board of Supervisors (LACO BOS). Should you be very concerned about your multiyear budgets being greatly affected by ALL The CLASSES OF VICTIMS in Class Action Lawsuits filed against you?" you are invited to go and read that (OL). I will give you what is called a tiny, short, or a Redirect URL. That Redirect URL for this document is cfaba.net/lacobos

02.02. As an accommodation for you, Dawyn R. Harrison, Acting County Counsel, (AOTWIMC), I am going to copy and paste that Open Letter (OL) in between the characters of === and the characters of ===

===

+++++

02. WHAT DO I MEAN BY: "Should you be very concerned about your multiyear budgets being greatly affected by ALL The CLASSES OF VICTIMS in Class Action Lawsuits filed against you?"

+++++

02.01. In the July 8, 2022 article in mynews1a.com entitled: "Villanueva Fires Back After Supervisors Eye Power to Remove Sheriff" it states the following:

"If passed, this illegal motion would allow corrupt supervisors to intimidate sheriffs from carrying out their official duties to investigate crime," the representative told The Times. "Creating a pathway for politicians to remove a duly elected sheriff is a recipe for corruption, particularly when `cause' is whatever suits their political agenda."

02.02. I do not believe that you will listen to me. Just like all of my past communication that is documented (footnotes) below. However, it would appear that you have not thought about ALL The CLASSES OF VICTIMS that you are creating that could and more than likely bring Class Action Lawsuits against you (LACO BOS) and technically Los Angeles County (A Person) for your multiple year budgets. Since you (LACO BOS) have bragged that your budget is about \$28,000,000,000 a year (\$28 Billion) those amounts of money could be rather extreme.

02.03. Since I am aware that Apple Computer had a Class Action Lawsuit filed against it for \$999,000,000,000 (\$999 Billion) who knows all of those Class Action Lawsuits because of your lacking in common sense, foolish, and absolutely destructive against the Citizens of Los Angeles County.

02.04. I could go on and on, and on, and on about ALL OF The CLASSES OF VICTIMS you should be smart enough to figure out THAT THE COURSE OF ACTION THAT YOU ARE CONTEMPLATING IN DOING again as I said IS lacking in common sense, foolish, and absolutely destructive against the Citizens of Los Angeles County."

===

+++++

03. YOU MAY ALSO THINK WHY HAVE I ASKED YOU THE QUESTION THAT I ASKED YOU?

+++++

03.01. We am doing everything that we can do to find lawyers and law firms to bring

massive Class Action Lawsuits against Los Angeles County (LACO). As I recently a told (LACO) employee attempting to explain this concept that some law firm(s) maybe willing to file Class Action Lawsuits against Los Angeles County (LACO) for \$280,000,000,000 (\$280 billion) that amount being equivalent to about 10 years of Los Angeles County (LACO) budgets.

03.02. As an accommodation for you, Dawyn R. Harrison, Acting County Counsel, (AOTWIMC), you may be thinking that is outside of any possibility. Again, I invite you to copy and paste our Redirect URL for this document is cfaba.net/lawyers at the very top Of That Page you will see the webpage (ilrg.com/nlj250) when you copy and paste ilrg.com/nlj250 you will see the title at the top of the page "America's 350 Largest Law Firms".

03.03. The webpage ilrg.com/nlj250 has seven pages of 50 of the 350 largest law firms in America. When we searched all the 350 largest law firms in America we found as I like to use the phrase cargo ship boatloads of lawyers with their e-mail addresses that we have and continue to send recruitment Open Letters to.

03.04. Dawyn R. Harrison, Acting County Counsel, (AOTWIMC), the Four "Democrat" members; Supervisor Hilda L. Solis, First District; Supervisor Holly J. Mitchell, Second District; Supervisor Sheila Kuehl, Third District; Supervisor Janice Hahn, Fourth District; who voted for that as I stated: "IS lacking in common sense, foolish, and absolutely destructive against the Citizens of Los Angeles County."

03.05. Dawyn R. Harrison, Acting County Counsel, (AOTWIMC), it is my very strong belief that they will go through with this plan because they have been TOLD that we (the "National Democrat Party") NEED to destroy America and each and every major city as quickly as possible (ASAP). You do not need to be a Rocket Scientist to figure out that major cities like Chicago, Illinois have done this but I do not live there. I live in Los Angeles County.

03.06. Dawyn R. Harrison, Acting County Counsel, (AOTWIMC), please, please, please, protect your entire career by stating in your documentation that what I have spoken of is a possibility TO LACO. And unlike that homelessness lawsuit I WILL NOT BE BOUGHT OFF.

+++++

04. Robert Colaco [RC] SPECIAL NOTE ON JULY 25, 2022:

+++++

04.01. Upon looking at the last document name with the date and time of 20220720\_0724 that were posted on our two websites

[http://ourlegalsystemisbroken.com/ca-gov-ol/20220720\\_0724\\_RC-OL-TO-LACO-COUNSEL.pdf](http://ourlegalsystemisbroken.com/ca-gov-ol/20220720_0724_RC-OL-TO-LACO-COUNSEL.pdf)

And

[http://openletters.info/ol-pdfs/0003/20220720\\_0724\\_RC-OL-TO-LACO-COUNSEL.pdf](http://openletters.info/ol-pdfs/0003/20220720_0724_RC-OL-TO-LACO-COUNSEL.pdf)

04.02. I discovered that the HEADER (20220715\_Robert-Colaco-OL-To-FEC-GOV) and FOOTER (Page 12 of 6) on THAT last document was incorrect. That while I wrote the correct information within the document as follows:

HEADER NAME:

20220720\_RC-OL-TO-LACO COUNTY COUNSEL

FOOTER NAME:

Page &p of 12

04.03.01. The correct information on the last document should have been as follows:

The HEADER (20220720\_RC-OL-TO-LACO COUNTY COUNSEL) and FOOTER (Page &p of 12, which would have automatically put the correct page numbers from 1 to 12).

04.03.02. The issues described in 04.01., 04.02., 04.03.01., and 04.03.02., did not in any way shape or form Affect the text of the emails that were sent. They ONLY AFFECTED THE PRINTED/PUBLISHED (on our websites).

04.04. This brings me to the next issue of why there are numerous documents within the two CITIZENS FOR A BETTER AMERICA(R) (CFABA.ORG) websites that we have posted the OPEN LETTERS (OLS). Those, that are written to get the attention of the Los Angeles County Board of Supervisors (LACOBOS) or another Los Angeles County (LACO) government agency outside of the Los Angeles County Department of Public Social Services (LACO DPSS) and/or California Department of Social Services (CA DSS). I will give you what is called a tiny, short, or a Redirect URL. That Redirect URL for all of those documents is:

<http://cfaba.net/dpss> or [cfaba.net/dpss](http://cfaba.net/dpss) can just be copied and pasted into any Internet browser.

04.05. I, Robert Colaco have NEVER BEEN A FAN of the concept "we have always done it this way" and thereby we cannot and will not think of another way to do something.

04.06.01. My July 20, 2022 OPEN LETTER (OL) to Los Angeles County (20220720\_RC-OL-TO-LACO COUNTY COUNSEL) had a uniqueness that I/we had not used in an OPEN LETTER (OL). I/we wanted for every one to see the e-mail addresses of everyone else that was receiving that (OL). I tried something that I had not done before which was to attempt to send the entire list all at the same time. THAT ACTION FAILED.

04.06.02. The bottom line was that our server did not allow me to do just that but

I did not know how to divide that massive list so that our server would actually be able to send.

04.06.03. I, Robert Colaco am so PASSIONATE about the truth and the integrity to such a point that we named our company IntegrityWebsiteSolutions.com! I believed since different set of e-mail addresses were for all intents and purposes receiving what amounted to different texts in each of the different emails. I believed the only real way to maintain the truth and the integrity of those documents would be to have published each one with a different "finalized" time on July 20, 2022.

04.06.04. As a result there are the following "finalized" time on July 20, 2022 that were posted on the <http://openletters.info> WEBSITE:

[http://openletters.info/ol-pdfs/0003/20220720\\_0342\\_RC-OL-TO-LACO-COUNSEL.pdf](http://openletters.info/ol-pdfs/0003/20220720_0342_RC-OL-TO-LACO-COUNSEL.pdf)

04.07.01. This entire project of writing both of the original document as well as this as it says in the "finalized" section at the very top of this document:

04.07.02. "Please see and read ("Robert Colaco [RC] SPECIAL NOTE ON JULY 25, 2022:") at the bottom of this document."

04.07.03. Again, this entire project of writing was done by the insistence of "Accessibility Software" including but not limited to Speech Recognition Software" which is only about 25% accurate. That rather dismal accuracy rates forces me to have to constantly making sure that the Personal Computer (PC) is actually typing what I am speaking and attempting to write. Obviously, just about any kind of writing that I need to do takes as I like to use the phrase "Cargoship Boatloads Of Time".

04.07.04.01. As a result of the above changes ON JULY 25, 2022 I am also changing the following:
