01. Positive Statements About The "Tucker Carlson Tonight" Show:

01.01. I have greatly appreciated your show demonstrated by the as close to perfection or 100% viewing of each and every segment that I have watched that was posted on foxnews.com beginning on or about 00:21 2017-11-18 (the date that is at the very top of each segment) when I began watching your show and actually documenting me watching individual segments.

01.02. In fact I have used information that you, Tucker Carlson[01] provided on your show in my what I call "Accountability Sessions" mostly on the phone with government officials including but not limited to Michael Guerra[02][03][099][101][103][106][107]. Michael Guerra[02][03][099][101][103][106][107] is my designated contact person at the Los Angeles County Department of Public Social Services(LACO DPSS).

01.03.01. Unlike the "Unfair National Media" whom your Media companies compete against I have at least a 50.1% (the minimum amount that some elections can be won by) trust the information that I have received by watching pretty much most of foxnews.com[04] but especially your show, Tucker Carlson Tonight[01].

01.03.02. Thank you, thank you, thank you that I can most the time trust the information that I have received from Tucker Carlson Tonight[01].

-----

02. Problems With The Dates Of Many foxnews.com And Possibly foxbusiness.com shows:

02.01. I have been attempting to write an Open Letter(OL) to you and all of foxnews.com[01] and possibly foxbusiness.com. I believe because I have been aware for sometime now that there are problems with the posting of your actual links where when a viewer such as yours truly, Robert Colaco clicks on the link to actually be able to watch that segment that date that is on that webpage is not the same date on the webpage that has your last number of segments of your show.

02.02. I will demonstrate my point better with an example of one of the last segment that I watched when I was attempting with great effort to finish this project no later than Mother's Day 2020 which of course I did not accomplish. One example is of a show on Friday, May 8, 2020:

-----

21:07 2020-05-08

video.foxnews.com/v/6155408182001?playlist\_id=5198073478001#sp=show-clips

Tucker: Adam Schiff should resign  
May. 09, 2020 - 11:40 - Rep. Adam Schiff and the entire apparatus of official Washington has been exposed by these transcripts, as well as by the documents just released in the Michael Flynn case.

I BELIEVE THE ACTUAL DATE OF VIDEO: May 08, 2020

-----

02.03. As you can see I began watching that segment at 21:07 2020-05-08 (Pacific Military Time, PMT). The title of that segment was "Tucker: Adam Schiff should resign". And even allowing for the fact that your show, Tucker Carlson Tonight[01] is broadcast from the East Coast having a date of Saturday, May. 09, 2020 does not work since I do not believe that you record or broadcast your show, Tucker Carlson Tonight[01] normally on any days other than Monday through Friday.

-----

02.04. Also, on the webpage that has your various most recent segments[05] it stated the following:

Tucker: Adam Schiff should resign  
11:40  
May 08, 2020  
Tucker: Adam Schiff should resign  
Rep. Adam Schiff and the entire apparatus of official Washington has been exposed by these transcripts, as well as by the documents just released in the Michael Flynn case.

-----

02.05. Obviously the example in 02.04. directly above is the correct information. Again, however the webpage that has the actual segment that plays the actual video has the incorrect date. Normally, the day after.

-----

02.06. I have noticed these same problems with more than just your show, Tucker Carlson Tonight[01]. That is why I am sending this (OL) to every E-mail address that we have found on foxnews.com and foxbusiness.com!

-----

03. Concerns With The Use Of Graphic Language:

03.01. Directly below is the text of my watching I believe of your segment titled: "Tucker: What exactly happened to Tara Reade?"

03.02.01. The reason why I said "I believe of your segment titled" is because I do not want to watch that segment again to confirm that it is the correct segment that I am thinking of that it would have been my overwhelming preference to not have heard what interestingly enough your guest stated: "Judge Jeanine Pirro: I am not going to get graphic." I have copied and pasted what your webpage stated please see "03.05." directly below.

03.02.02. Judge Jeanine Pirro statement: "Judge Jeanine Pirro: I am not going to get graphic." Please see "03.06." directly below. I cannot over emphasize this point because when you interviewed Judge Jeanine Pirro stopped at the point where as I said it would have been my overwhelming preference to not have heard past the point that Judge Jeanine Pirro stopped.

03.03. I had a problem with what you did on that show and it would have been my overwhelming preference to be warned that your audience may want to mute the sound so that they would not hear again Judge Jeanine Pirro statement: "Judge Jeanine Pirro: I am not going to get graphic."

03.04.01. I well recognize that it is your show, Tucker Carlson Tonight[01]. Please, please, please the next time that you need to make or to have made on your show, Tucker Carlson Tonight[01] a graphic statement please give a warning for your viewers who might be sensitive to potentially being offended as I was.

03.04.02. Or, as I began writing this document on "Mother's Day in the year 2020" there could have been watching your show mothers, Tucker Carlson Tonight[01] by themselves or by children whom they would have had "their overwhelming preference to not have heard" that graphic language.

-----

03.07.01. Lawyers both current and past that my awesome wife Gail have had have told me something to the effect of: "Robert, you repeat yourself over and over again. Why don't you ask the question have I made myself clear and what have I made myself clear on?"

03.07.02. This is normally applicable for conversations that I am having on the phone. However, I believe that it is appropriate for the entire section of 03. I believe that I have made myself clear on this point. If for some reason I have not done so please do not hesitate to contact me or to have someone from your media entity contact me.

-----

04. Please Extend My Delayed Happy Mother's Day Wishes:

04.01. Since I know that you have spoken about your "kids" on either your show or The Rubin Report[06] show I would like you to extend my Happy Mother's Wishes to your wife.

04.02. I would also like to extend my Happy Mother's Day Wishes to each and every Mother who is associated with foxnews.com and foxbusiness.com! When I say "to each and every Mother" I mean not just the foxnews.com and foxbusiness.com television personalities but the actual workers at all levels of foxnews.com and foxbusiness.com which is of course why I am sending this (OL) to every E-mail address that we have found on foxnews.com and

foxbusiness.com!

04.03. Tucker Carlson, I believed that I would be able to finish this document and send it by Email so that you all would receive it in your Inbox by Monday morning May 11, 2020.

I decided to stop the process of working on this document at about 2:00 AM on Monday morning May 11, 2020. Finally, I am finishing this rather challenging yet needed to be done project.

-----

05. Our Legal System Is Broken!

05.01. You, demonstrated on your show, Tucker Carlson Tonight[01] one such example of how Our Legal System Is Broken!

05.02. In your interview with "Warren Norred, attorney for Shelley Luther", please see "05.03." directly below the statement that attorney "Warren Norred" made during "Warren Norred" conversation with you 'tiny tyrants for who they are' was a great many things including but not limited to Remarkable in light of his statement something to the effect of I am before a whole lot of Judges and so I do not want to say that. Obviously, he was not confused about what he said or where he was saying it. I was incredibly impressed by the fact of all if that is in this "05.02."

Attorney for jailed Dallas salon owner says coronavirus crisis exposed 'tiny tyrants for who they are'

May. 07, 2020 - 4:40 - Warren Norred, attorney for Shelley Luther, joins Tucker Carlson to discuss the decision by a Texas judge to jail his client for reopening her salon during the COVID-19 pandemic.

-----

05.04. I was deeply saddened and disturbed by what I saw in your segment as demonstrated by "05.03." directly above. It reminded me of two disturbing points in my own history. One of those points was when I and my family were in Baghdad, Iraq after the 1967 six day Arab/Israeli war which Iraq was involved in.

05.04.01. I thought for the very first time in my life I would actually look up the Iraq webpage at Wikipedia. Previous to this research that I did for the very first time in the writing of this Open Letter(OL) the information that I had about Iraq was my life being born there in 1957 and then leaving with family members about June of 1969 to begin the

journey to legally immigrate to the United States of America (USA).

05.04.02.Q. You might be wondering why I brought up the issue of "05.04." and beyond?

05.04.03.01.A. I was attempting to make the point that after that "1967 six day Arab/Israeli war which Iraq was involved in" the Iraqi government decided to do all they could do to seemingly communicate to its population that they were going to be ruthless to "Israeli and American spies". They also wanted to potentially scare their population about how swift their "justice" was.

05.04.03.02.A. I was only 10 years old at the time. I do not remember whether I saw and or heard on "National Media" which meant all the television and radio stations or I became aware from my father who had worked for the American embassy in Baghdad, Iraq that the "judicial trial" went something like this: "Mr. \_\_\_\_\_, you have been charged with being a spy for Israel and or the (USA), how do you plead?"

05.04.03.03.A. The "defendant" would say something to the effect of: "Not guilty".

05.04.03.04.A. The "Judge" would then slam his gavel and would say something to the effect of: "Guilty, hang him".

05.04.03.05.A. Without being graphic in my language and or descriptions the Iraqi government hanged numerous men in what would amount to be like a central park in the middle of Baghdad, Iraq.

05.04.03.06.A. Then they made sure that every one throughout Iraq "enjoyed the party" that they were invited to participate in, and like a July 4 celebration and ALL of the "Media" which was completely state controlled and that is all that they dealt with on that day.

-----  
05.05. In doing the research to deal with everything that I have said in "05.04." directly above and beyond I did a search of both "Iraq"[07] and "Israel"[08] on Wikipedia. I actually printed those entire individual webpages since I am fairly confident that you would know that webpages on Wikipedia can be changed at any time and so I wanted to preserve the actual webpage when I saw it.

-----  
05.06.01. On my "Political Bio"[100] webpage it states the following: "When I was a candidate for Congress between December 1988 and June 1992 my wife Gail and I came up with the term Mediterranean Mut because it perfectly described my family background and genealogy."

It also states the following: "I decided to run as a candidate for the United States house of representatives in December 1988 and later begin Citizens For A Better America(R) (CFABA.ORG) on October 15, 1992."

I am extremely passionate about the United States of America not becoming one of those horrible countries that I, my parents, and my grandparents escaped from."

05.06.02. On the front page of one of the websites/domains that CITIZENS FOR A BETTER AMERICA(R) (CFABA.ORG) owns and has content on, ourlegalsystemisbroken.com[09] it states the following:

-----

Our Legal System Is Broken!

"As an organization we have often been asked who we support or endorse when it comes to the Judges. That has been a hard question to get an answer for. Judicial candidates have communicated to us that they can not answer our CFABA.ORG Candidate Questionnaire™ because they can not be predisposed to an issue they may rule on. That has left the voter with little to go by but a name on the ballot. With the current trend of activist courts, a name is not enough.

Against the trend in politics, Robert was and is not a lawyer, this has lead to some very eye opening encounters with our current legal system. This website is one result of those eye opening encounters.

Robert, has a Christian prayer ministry and he often tells people he prays for, to be looking for how God has answered their prayers because God is going to answer them, maybe not the way they think but God is going to answer them. In this case some could say the joke was on him, because God chose to answer Robert's years of prayer,[10] for a way to elect good judges, by sending him to court with his own cases both criminal and civil showing him what was really going on in the judicial system.

There is much more to the story but just for the record the criminal charges against Robert and Gail were left as UTP, Unable To Proceed, after about 14 months of court, when Gail's mom the complainant, whom two doctors diagnosed with Alzheimer's disease, was moved out of state by Gail's brother to keep Gail from getting conservatorship. So, bottom line Robert and Gail still DO NOT have a criminal record even though "The Prosecution Team" worked very hard to get them a criminal record."

-----

06. Conclusion:

06.01.Q. You or someone reading this (OL) might be wondering why have I Robert Colaco taken the enormous time and energy to write this (OL)?

06.01.A. You, Tucker Carlson[01] have clearly demonstrated to me, Robert Colaco, that you and I are passionate about protecting our fellow country men and women. You, Tucker Carlson[01] and I want to do ALL that we can do to protect our fellow Americans. When I became a legal, naturalized American Citizen and I took the Oath of Allegiance[11] to do

just that in 1976 as a 19 year old I took that Oath of Allegiance[11] very, very, very seriously.

06.02.01. I also wanted You, Tucker Carlson[01] to know that after I watched you, Tucker Carlson[01] I believe it was being a guest of The Rubin Report[06] where you spoke of your Christian faith and attending an Episcopal Church I began to pray for you by name.

06.02.02. I had already began to pray for all Christians worldwide on or about May 18, 2018. So, in essence I have prayed for you and every Christian on planet earth each and every day since then whether I knew who on planet earth were those who are Christians (God certainly knows however), those who have accepted what Jesus Christ had done on the cross for them[12].

06.03.01. Tucker Carlson[01], do not worry I have been praying for all those on planet earth not just those that are Christians but all of the over 7,000,000,000 (billion) people on planet earth. On that possibility that you might be wondering how long it takes me to pray on a daily basis, about 2 to 3 hours.

06.03.02. I am sharing these things with you because I have seen over my decades of prayer ministry that it helps people to know that there is someone that is praying for them.

06.03.03. One of the things that I pray for is for God to help Christians to know and to remember that as Philippians 4:13 states: "13 I can do all things through [a]Christ who strengthens me." [13] It is Jesus Christ that has and continues to help me to pray for you and every one that you know.

06.04. There are so many more things that I could say but as I have said in more than one document that I have written something to the effect of: "I am not attempting to write a book" in this (OL).

If you are receiving this document by e-mail, then each one of the links below all are completely identical. They are all completely identical because each website link is for your e-mail address and your e-mail address only. This is happening so that Your individual email is linked to that website link.

When you click on the collectible information website link, it will take you to that

specific website link. There is nothing to be concerned about, because it is our organization Citizens For A Better America(R) (CFABA.ORG) that is sending you the emails that is getting that information.

The organization that is sending you the emails is under the control and leadership of yours truly, Robert Colaco. The organization is:

Citizens For A Better America(R) (CFABA.ORG)

In an effort to do all that I, Robert Colaco, can do to minimize concerns over clicking on those links that can be accessed with just a click, I have placed in that description the website address. Some who are reading this document may prefer to copy and paste the website link in their browser.

As an example, to reach one of Citizens For A Better America(R) (CFABA.ORG) newest websites, you can copy and paste (ourlegalsystemisbroken.com).

I have placed in the line directly above the website link that begins with (http://) the website address without the (http://) so that it can be copied and pasted into your Internet browser. The copy and paste version will not have the (http://) because if it did it would automatically have the clickable website link (which is a very long clickable link).

Also, since Citizens For A Better America(R) (CFABA.ORG) has numerous websites that have content, I will list when that website is a Citizens For A Better America(R) (CFABA.ORG) website. Again, as an example, (ourlegalsystemisbroken.com) and (openletters.info) are Citizens For A Better America(R) (CFABA.ORG) websites.
