Tucker: Trace the decline of men to disappearance of fathers

Mar. 21, 2018 - 5:57 - 'Men in America': Having a father at home is a sign of affluence. But it is also a cause of affluence, especially for boys. Boys who grow up with a father at home earn much more as adults. Boys who grow up alone with their mothers tend to earn less. They also have more disciplinary problems in school. They read less, and less well. They're less likely to graduate high school or go to college. They are more likely to be unemployed and to live in poverty. #Tucker

Petition States As Follows:

We, the undersigned, respectfully request that the President of the United States grant a full and unconditional pardon to Roger Jason Stone Jr.

It's time to stop the Deep State from working against our President. The people who have stood with President Trump have been slammed, censored, and are now going to prison, for nothing more than standing up to the Deep State and the Democrats. President Trump, now is
