And You all at the Federal Election Commission with the website and acronym OF (FEC.GOV).

FROM:
"Robert Colaco, Senior Treasurer, Volunteer National Chairman, Founder (CFABA.ORG)"
<FounderRC@CFABA.NET>

01. INTRODUCTION:

01.01. It is my strongest hope, desire, and goal to not sound or be rude, unkind, or to show any disrespect as I make my following remarks.

01.02. It is also my strongest hope, desire, and goal to communicate with you as truthfully and clearly as I possibly can so that you would understand what I am trying to say to you and thereby no misunderstandings between us develops any more than it already has.

01.03. To that end if you believe there is a misunderstanding or something does not make sense to you, please do not hesitate to call me.

01.04. It is however my complete and total expectation that you would have read my entire letter, not just skimmed it, or done something like just looking at the first and last paragraph.

01.05. Commissioner Trainor, I would like to congratulate you on being successfully appointed as its states on the (FEC.GOV) website:
"James E. "Trey" Trainor III was nominated by President Donald J. Trump and confirmed by the United States Senate on May 19, 2020. He was appointed to a term ending April 30, 2023."[01].
I would also like you to know that I have a Christian Prayer Ministry and I am praying for you and every one in our government[04].

02. Problems That The Federal Election Commission(FEC.GOV) Created:

02.01. While I do not have problems with You all at the Federal Election Commission with the website and acronym OF (FEC.GOV) making changes to your Policies and Procedures and even when those Policies and Procedures affect your constituency in this case Political Committees that have absolutely no choice but to have to do business with your Government Agency.

02.02. You used a trust given to you by Our Government and You basically (in a sound bite) trashed it.

02.03. I get it, I get it, I get it you had a problem. Since You all at the Federal Election Commission(FEC.GOV) did not do a very good job (that is the understatement of the millenia) in explaining what were the problems You all at the Federal Election Commission(FEC.GOV) in essence created another problem with apparently no concern or caring of some percentage of 26,000,000,000,000 (26 trillion) the current Federal National Debt how your decisions and actions would affect Political Committees that have absolutely no choice but to have to do business with your Government Agency.

02.04. You created a problem by completely changing the methodology that Political Committees would upload and file electronically their Federally mandated reports for those Political Committees that are having to use Your "FECFILE" software.

02.05. At the time that You all at the Federal Election Commission(FEC.GOV) created this cataclysm I attempted to do all I could do in fixing the problems so that I did not have to deal with this nightmare that You all at the Federal Election Commission(FEC.GOV) created. I called every one that I could call at (FEC.GOV) and there were no solutions from your staff.

02.06. As I stated earlier in 02.03. directly above "with apparently no concern or caring of some percentage of 26,000,000,000,000 (26 trillion)". The individuals that I spoke to appeared to communicate to me that it was basically my problem and they could care less about fixing the problem that was created by as I have stated "You all at the Federal Election Commission(FEC.GOV) created this cataclysm".

02.07. For your information, I have Digital Voice Recordings of either both sides of the conversations or my side of the conversation only of all the phone calls that I made.

03. Solutions That The Federal Election Commission(FEC.GOV) Has Forced Upon Me:

03.01. On the possibility that You all at the Federal Election Commission(FEC.GOV) are not aware of the timeline of when the (FEC.GOV) did these disgusting, despicable behaviors it was in July 2019.

03.02. You all at the Federal Election Commission(FEC.GOV) have put me in the most awful position of having to figure out how I can possibly get our financial reports to You all at the Federal Election Commission(FEC.GOV). You all at the Federal Election Commission(FEC.GOV) have burned up my time, energy which I have in short supply.

03.03. As I State in another online document:[04]

"God (God the Father, God the Son, God the Holy Spirit) God the Son as my Lord and Savior Jesus Christ has"[04] has given me an incredible solution to fix this problem of having to get "You all at the Federal Election Commission(FEC.GOV)" our financial reports without me having to print and then mail those documents to you which we have not done in many, many, many years. We also do not have the ability to print and then mail those documents to you.

03.04. That solution is something that we normally do not do. Which is to have the actual .DCF "FECFILE" files added as an attachment to every e-mail address that we have found on the (FEC.GOV) website when we did a search of that website some time ago to send this document and those .DCF "FECFILE" files.

03.05. Again, I cannot emphasize this point enough that we normally do not send emails with attachments in them, so we do not know whether our Email System will allow for that to occur and we will not know until we have actually attempted to do so and completed that task. However, we will also post those same files on our (openletters.info) at the same place that we are posting this "Open Letter(OL)".

03.06. The actual .DCF "FECFILE" files that we are attempting to send with this email and also posting are as follows:

03.06.01. 20190731_1254_FROM_20190101_TO_20190630_AFT_CLOSE

03.06.02. 20200130_2231_FROM_20190701_TO_20191231_AFT_CLOSE

03.06.03. 20200715_1838_FROM_20200101_TO_20200630_AFT_CLOSE

03.07. The above file names are done in the following way. As an example in 03.06.01. the 20190731_1254_ means that I last worked on the file on 20190731_1254_ also known as (AKA) July 31, 2019 at 1254 HRS or 12:54 PM (Pacific Time). As you can see all of them the actual .DCF "FECFILE" files were timely and they would have been timely filed if You all at the Federal Election Commission(FEC.GOV) had not followed in the footsteps of Saddam Hussein[05] the country that I was born in, Iraq[06].

04. The Future Federal Election Commission(FEC.GOV) Decisions:

04.01. It appears based on all the evidence that is available to me that You all at the Federal Election Commission(FEC.GOV) made a decision that affected Political Committees like Citizens For A Better America(R) (CFABA.ORG) without thinking or being concerned about how that decision would negatively and horribly affect Citizens For A Better America(R) (CFABA.ORG) and others like us.

04.02. Please, please, please actually do the opposite of what I have accused You all at the Federal Election Commission(FEC.GOV) of all the horrible things are You all at the Federal Election Commission(FEC.GOV) have done.

04.03. We will continue all the policies and procedures that we have outlined in this "Open Letter(OL)" until and if You all at the Federal Election Commission(FEC.GOV) actually fix with a real fix not the trash that I was told.

04.04. I think it is important for me to tell you why I have stated throughout this Open Letter(OL) "You all at the Federal Election Commission(FEC.GOV)" because of the statement made on your website:

"The FEC is an independent, regulatory agency with more than 300 employees. It's led by six Commissioners."[07]

04.04.01. There are only three commissioners currently.[07]

04.04.02. The attitudes expressed by all the employees that I spoke with to say were disappointing are the understatements of the millennia.

04.05. I have written numerous Open Letters to You all at the Federal Election Commission(FEC.GOV) with disastrous results. They can be accessed by copying and pasting the following in your browser (openletters.info/op06000.htm) They are as follows:

2010

October 14, 2010 Open Letter to Federal Election Commission (FEC.GOV).[08]

2007

Tuesday, 01/16/2007 Open Letter to Federal Election Commission (FEC.GOV).[09]

2006

01/17/2006 An Open Request For An Advisory Opinion From The Federal Election Commission (FEC.GOV).[10]

04.06. Since I am an Equal Opportunity individual and what I mean by that is that just like I am they had a significant amount of complaints in this Open Letter(OL) I believe it is only fair to compliment You all at the Federal Election Commission(FEC.GOV) for the fact that there was a link that had All The Commissioners that had served in the entire history of (FEC.GOV) it was great to see their names, pictures, and terms of the time they served as A Commissioner.[11]

With All Sincerity,

Robert Colaco [RC]

NOTICE:

If you are receiving this document by e-mail, then each one of the links below all are completely identical. They are all completely identical because each website link is for your e-mail address and your e-mail address only. This is happening so that Your individual email is linked to that website link.

When you click on the collectible information website link, it will take you to that specific website link. There is nothing to be concerned about, because it is our organization Citizens For A Better America(R) (CFABA.ORG) that is sending you the emails that is getting that information.

The organization that is sending you the emails is under the control and leadership of yours truly, Robert Colaco. The organization is:

Citizens For A Better America(R) (CFABA.ORG)

In an effort to do all that I, Robert Colaco, can do to minimize concerns over clicking on those links that can be accessed with just a click, I have placed in that description the website address. Some who are reading this document may prefer to copy and paste the website link in their browser.

As an example, to reach one of Citizens For A Better America(R) (CFABA.ORG) newest websites, you can copy and paste (ourlegalsystemisbroken.com).

I have placed in the line directly above the website link that begins with (http://) the website address without the (http://) so that it can be copied and pasted into your Internet browser. The copy and paste version will not have the (http://) because if it did it would automatically have the clickable website link (which is a very long clickable link).

Also, since Citizens For A Better America(R) (CFABA.ORG) has numerous websites that have content, I will list when that website is a Citizens For A Better America(R) (CFABA.ORG) website. Again, as an example, (ourlegalsystemisbroken.com) and (openletters.info) are Citizens For A Better America(R) (CFABA.ORG) websites.
