Dear Mr. President:

Because of threats to our lives we do not disclose "Street Address". However we use a PO Box which is:

PO Box 1949
LITTLE ROCK, CA 93543-5949

My name is ROBERT COLACO. I am the Founder and Volunteer National Chairman, of CITIZENS FOR A BETTER AMERICA(R) (CFABA.ORG)[01].

I am a Born Again Christian. I have a Christian prayer ministry[02]. I began to earnestly pray for you on August 18, 2016. With well over 325 days praying for you in each year. Until, January 18, 2018 when I began to pray for you each and every day having missed only one day.

I gave a contribution to Sidney Powell's organization DefendingtheRepublic.org from our personal funds for \$7.77 (7 is God's perfect number). I attempted to also give a contribution to your Legal efforts through winred.com over a two day period but that server continued to have a problem in accepting my donation.

During the overnight hours of December 16, 2020 my Lord and Savior Jesus Christ had me praying for you to invoke your September 2018 Executive Order about Election Security as I watched Sidney Powell video interview with theepochtimes.com explaining how because of that Executive Order you can still attempt to save Evidence that has not been destroyed with the Election Fraud that has gone on like the nation that I was born in Iraq in 1957[03].

Please, please, please invoke your September 2018 Executive Order about Election Security. It appears that the Deep State is attempting once again to trash your Presidency in what has gone on this week in them, the Deep State trying to keep Director of National Intelligence John Ratcliffe from issuing an accurate report.

I am certain that you are aware that today, Friday, December 18, 2020 is your last and final day of the 45 days that you have after election day November 3, 2020 to invoke your September 2018 Executive Order.

I totally, completely, overwhelmingly, 27,000,000,000,000% (current Federal National debt) believe that all who have opposed you since your election in 2016 have done

everything they have to destroy your Presidency but more importantly, your representation of the people that voted for you. The playbook that they have used is very sadly the same one that have brought dictators like Saddam Hussein in Iraq to power. He of course is not alone. The history of the world is full of such totalitarian regimes like our current biggest threat the Chinese Communist Party(CCP) having done such disgusting things.

My Lord and Savior Jesus Christ has had me to pray some incredibly powerful things since I began to pray for you on August 18, 2016. Those prayers have included but have not been limited to the biggest landslide election in U.S. history. Since I have seen and experienced God the Father, God the Son, God the Holy Spirit answering powerful prayers since having accepted Jesus Christ as my Lord and Savior in 1972. I believe that you really did win the biggest landslide election in U.S. history and because of all our opponents have done in the lead up to the November 3, 2020 election and since by doing all the things that they have done:

01. Not allowing dominion machines to be forensically tested.
02. Doing all of things that third world countries, third world banana republics do like the one that I was born in[03].
03. Not allowing Election Observers to be present when they were opening mail in ballot envelopes, dominion machines to be forensically tested, scanning the same ballots numerous times, etc., etc., etc.!

"Director of National Intelligence John Ratcliffe is considering not signing an intelligence report to Congress if it does not accurately reflect an ongoing debate among intelligence community career analysts over Chinese attempts to influence American voters in the 2020 election, according to a source familiar with the issue."[04]

With All Sincerity,
Robert Colaco (RC)
