Subject:

AN OPEN LETTER TO WHOM IT MAY CONCERN AND OR TO ALL LEADERSHIP OF videosoftdev.com, OF Multilab LLC (Corrected)

<https://www.videosoftdev.com>, OF Multilab LLC

Thank you so much for all the work that you folks have done to produce VSDC, Video Editor and to offer it for FREE. I would like you know that I really appreciate it.

I have spent hours, hours and hours to attempt to learn how I can use it for my purposes on behalf of our political organization Citizens For A Better America(R) (CFABA.ORG).

Our needs are very limited and I have been unable to find how I can use your software to accomplish our objectives. They are as follows:

We have a Cargo Ship Boatload of Audio files. Yes, that is correct Audio files only. We are attempting to upload those Audio files with my picture and a static text into a video.

I believe that it would serve your company well to have a tutorial with how to accomplish that and that only. Please, please, please let me know how that can be accomplished with the minimum amount of time.

I would like to thank you in advance for your assistance in this matter. Sadly, sadly

and sadly we are a very poor organization and are unable to donate to your organization at this time.

I hope to hear from you at your earliest possible convenience. Thank you for taking the time to read this Open Letter.

With All Sincerity,

Robert Colaco
